Attn: George E. Hoffman, Jr.
District Enforcement Officer

Gentlemen:

In response to your Warning Notice NWE 57-1011 of 14 February 1984 and our meeting of 30 March 1984, attached is the "Hydrogeologic Assessment and Ground-Water Monitoring Plan" for Naval Air Station Whiting Field. We believe this plan meets the requirements of FAC 17.3 and FAC 17.4.

If you approve this plan, we will implement it immediately.

Sincerely,

C. L. LAVINDER, JR.
Captain, U.S. Navy
Commanding Officer
